

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF NOLIN RURAL)	
ELECTRIC COOPERATIVE CORPORATION)	CASE NO. 92-445
FOR THE ADJUSTMENT OF NON-)	
RECURRING CHARGES)	

O R D E R

On November 4, 1992, Nolin Rural Electric Cooperative Corporation ("Nolin") submitted an application to the Commission wherein it proposed to increase the reconnection charge, premises service call charge, meter test charge, service termination trip charge, meter reading charge, and returned check charge.

On December 18, 1992, the Commission issued an Order requesting additional information on the returned check charge. On December 29, 1993, Nolin filed the additional cost of service information requested. Nolin has provided evidence of the individual expenses incurred to provide the services associated with the proposed charges.

The Commission, after reviewing the evidence of record and being sufficiently advised, finds that the proposed charges are equal to the expenses incurred to provide these services. It further finds that the proposed charges as set forth in the Appendix to this Order are fair, just, and reasonable and should be approved on and after the date of this Order.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with services rendered on and after the date of this Order.

2. Within 30 days of the date of this Order, Nolin shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 25th day of January, 1993.
